

BRIDES

Semi-Permanent Bridal Beauty Treatments to Try Before the Big Day

Medical Facial

A non-invasive skin treatment by a cosmetic dermatologist can give some brides the wow-factor they're after. Manhattan-based [Dr. Paul Jarrod Frank](#) offers his own 30-minute, pain-free "Build Repair Polish" version that uses radio frequency and multiple wavelength laser technologies to lift, tighten, and tone skin. You'll score [a healthy glow](#) with better blood flow and less sun damage, and excess pigmentation. Facials typically start at \$300 and should be done about a week or two before show time.
