

14 NEW LIFE-CHANGING PRODUCTS

It's our job to test all that the beauty market has to offer, and along the way we've discovered products and procedures that deliver extraordinary results. Read on for 14 wonders you shouldn't live without.

LIFE-CHANGING PROCEDURES

CLEAR + BRILLIANT LASER: What's not to love about a laser treatment with no pain or downtime? It treats sun damage, large pores, and dark spots. "You could be 25 or 60—it addresses the full spectrum of patients," says **Paul Jarrod Frank**, a New York dermatologist.
