Dr. Paul Jarrod Frank

The service: OxyLight Facial

Where to find it: The office of Dr. Paul Jarrod Frank by celebrity aesthetician Edyta Jarosz, pfrankmd.com

What it does: The OxyLight by Sapphire 3 integrates the most requested applications in one system by utilizing LED light, oxygen, micro-current stimulation, Oxygen Therapy, Diamond Microdermabrasion and Biosonix Ultrasound to lift, tighten and clarify the facial structures. Maintenance treatments may follow once a month, and there is no discomfort or recovery time.

Who loves it: Jarosz performed this facial on *Modern Family* star Sofia Vergara before her wedding.
