## Treat Yourself: 10 Treatments Worth the Investment

Swimsuit season has arrived, which means it's time for a little splurge — here, W editors share how they're treating themselves before they hit the beach.

**The inspiration:** "Back in the Limelight,"  
photographed by Mert Alas and Marcus Piggott, styled  
by Edward Enninful; W magazine September 2016.

“Five, five-minute monthly sessions will get my underarms and bikini line set for next summer. The laser combines a vacuum-like technique to remove hair in larger patches, and a specialized cooling mechanism to maximize comfort while treating smaller or more sensitive spots. So far, I’ve done one, and it really doesn’t hurt.” – Mia Adorante, Associate Beauty Editor
